“Welcome to Snohomish County Parks and Recreation-home to more than 105 park properties, 11,600 acres, 47 miles of shoreline and hundreds of miles of open trails. Open year round, our parks facilities can be the highlight of any summer activity, offering a chance to play, reconnect with nature, enjoy time outside and build lifelong memories. Join the millions who explore our unique parks system annually. You won’t be disappointed.”

~ John Lovick, *County Executive*

GENERAL INFORMATION

Finished with this brochure? Don’t throw it away! Pass it along to an interested friend. Snohomish County Parks and Recreation relies on our friends to help us spread the word.

REGISTER EARLY

By registering early you can help prevent a class from canceling due to low enrollment. If there is enough interest early on, we may even add additional sessions.

NON-DISCRIMINATION

As a matter of policy, law and commitment, Snohomish County Parks and Recreation does not discriminate on the basis of race, color, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin or presence of any sensory, mental or physical challenges in the operation, conduct, or administration of community programs for youth or adults.

ACCESSIBILITY

Individuals or family members who would prefer to integrate into department programs but need some type of accommodation are asked to contact Sandy Hale at (425) 388-6614 at least two weeks in advance of the program start date to discuss needs on a case-by-case basis.

LOVE TO TEACH?

If you have expertise you would like to share with others, you may be able to earn extra income being a Snohomish County Parks and Recreation Instructor. Visit our website, click on “Become an Instructor” and follow the easy step-by step instructions at www.snocoparks.org or call (425) 388-6604 for more info.

ENVIRONMENTAL PROGRAMS AND WORKSHOPS

Snohomish County Park Rangers and Staff offer a number of environmental education programs for school and other groups. Presentations may be arranged at your school or in the field. To schedule a presentation call (425) 388-6618.

CHANGES & ERRORS

We strive to produce the most accurate guide possible. However, some program information may have changed after this guide has gone to print. We apologize for any errors in the brochure and encourage you to visit www.snocoparks.org for the most up-to-date information as possible. We’re always interested in knowing how we can make this publication better. If you have comments or questions, contact Tony Trofimczuk, 425-388-6604 or tony.t@snoco.org

ADULT ACTIVITIES

2014 Open Water Swim Camp

Theresa Trinko-Hoard is a Triathlon Coach and a five-time Ironman finisher who works with adults of all skill levels and abilities to help each person achieve his or her personal fitness goals.

What makes these camps unique is that participants are educated to improve their swimming ability via informative discussion, individualized coaching and effective and motivating workouts.

Space is limited to 8 individuals to ensure that each student/athlete receives lots of individual attention. A group $\frac{1}{4}$, $\frac{1}{2}$ or 1 mile timed distance swim occurs on the final day of camp.

Ages 18 – 80 years, Min: 5/Max: 10

Martha Lake Park, 16300 E Shore DR, Lynnwood WA 98087

Nature Camp

Alderleaf's program for youth is a summer day camp for youth ages 6 to 12. Now your children can also experience Alderleaf's amazing wilderness education! Kids learn the basics of wild edible plants, birding, wilderness survival, ecology, wildlife tracking, and more through exciting adventures, activities, crafts, and games.

Students meet at Lord Hill Park and spend days exploring the forest, creeks, and meadows while learning about nature. The camps teach about the plants, trees, birds, insects, mammals, and other species local to the Pacific Northwest. Through our nature curriculum, students also gain respect, responsibility, communication, and teamwork skills.

Don't miss this opportunity for an adventure-filled week of summer camp! Min 8 / Max 20 • Ages 6 – 12

Lord Hill Park
12921 150th St SE
Snohomish, WA 98290

July 28 – Aug 1

Mon – Fri

10am – 4pm..... Fee: \$250

LEAP4Kidz is a locally owned youth educational enrichment company that focuses on Science, Technology, Engineering and Mathematics [STEM] education, Creative Play and Social Cooperation using LEGOs.

Each day, campers will learn and explore a STEM theme and more. By discussing, building and working together in creative play, we stretch the imagination and have fun while we learn.

FREE child care from noon-1pm provided for those participants enrolled in both morning and afternoon sessions. Participants must bring sack lunch (peanut free) and water bottle.

Location: Willis Tucker Community Park - Gary Weikel Room

Extreme Star Wars

Explore the Star Wars Lego Universe with a variety of model builds ranging from 1 hour to 3 days to complete. Kids will work together to build and save the republic. Models include the Death Star, Millennium Falcon, ATA Walker and More. Min:12/ Max: 24

Ages 5-12 Fee: \$143
5017 July 7-11 Mon-Fri 9am-Noon

LEGO-WEDO Jr Robotics

Student Builders will expand on their engineering and Science, Technology, Engineering and Mathematics knowledge PLUS computer programming! Using drag-and-drop icon based software, this camp provides an introduction into the world of computer programming and robotics that will equip children to succeed in a technology based marketplace. Min: 10/Max: 24

Ages 6-10 Fee: \$172
5019 July 7-11 Mon-Fri 1-4pm
5018 Aug 11-15 Mon-Fri 9am-Noon

LEGO Machine Madness

Learn about engineering principles and simple machines and how they work in this STEM oriented camp. Explore mechanical engineering, invention and concepts of physics. Create using levers, pulleys, gears with batteries and motors to bring your designs to life! Min: 12 /Max: 24

Ages 7-12 Fee: \$143
5022 July 21-25 Mon-Fri 9am-Noon

LEG Brick Films/Stop Motion Movie Making

Use LEGO bricks to create your own movie, complete with music special effects and LEGO mini-figures characters! In this unique and creative camp, students will work in teams to plan, script, stage, shoot, and produce their own mini-movie using computers, webcams, Stop Motion animation software and lots and lots of Legos. Min: 10/ Max: 24

Ages 7-12 Fee: \$172
5021 July 21-25 Mon-Fri 1-4pm
5020 Aug 11-15 Mon-Fri 1-4pm

SUMMER ART CLASSES

All art activities in these art day camps are age appropriate, and are presented in a way that encourages experimentation, self expression, and creativity. The art instructor is a certified Art Specialist K-12. Her philosophy is that all children are artists! Art activities are adjusted for individual levels of skill and development. Free choice is encouraged.

Free child care from Noon-1:00 PM provided to those participants enrolled in both morning and afternoon sessions. Participants must bring a sack lunch, water bottle and jacket. After the fun of creating, weather permitting, the artists can cool off in the spray park or take a nature walk.

Day drop-ins are welcome at the price of \$20.00 per session. ALL ART CAMPS ARE HELD AT **WILLIS TUCKER PARK** IN AN OUTDOOR SHELTER.

Ages: 6-14 • Minimum 6, Maximum 16 • Each Camp is \$92

Boosting Creativity Plus Building Drawing and Painting Skills

This camp is fun as well as building the skills of drawing and painting by using observation, composition and the use of color relationships. Artists will be able to experiment with different types of materials such as ink, watercolor, tempera and acrylic paints as well as oil pastels, colored pencils and markers.

4601 July 7-11 Mon - Fri 1-4pm

Build It!

Artists can build or assemble artistic structures from a variety of media as well as using recyclable materials. Artists can learn to draw and paint in 3-D making your shapes come alive, showing depth on a flat surface.

4602 July 14-18 Mon - Fri 1-4pm

Art Around the Park

Nature artists will explore Willis Tucker Park's natural surroundings for creative inspiration. This includes nature walks and discovering natural materials to incorporate into inventive art projects. Artists can use the beauty of nature to paint and or draw.

4603 July 21-25 Mon - Fri 1-4pm

Choose Your Own Art Project

This camp is a favorite among artists because the artists can choose projects of their choice from a variety of art such as painting, drawing and constructing using a variety of materials such as paints, oil pastels, water colors, yarn, fabric building materials and much more! Students work at their own pace and skill level.

4604 July 28-Aug 1 Mon - Fri 1-4pm

Crazy Epic Art

Dress to mess! In this fun art class, artists will learn experience Jackson Pollack's expressive "spatter painting" plus other fun art projects which may involve lots of paint and messy hands.

4607 July 28-Aug 1 Mon - Fri 1-4pm

SUMMER ART CAMPS

Fun Fiber

From knots to knitting, crochet to friendship bracelets, weaving to macramé, these are just a few fun projects that can be created from a variety of fiber materials. Nature objects such as twigs to weave a basket is also a creative choice.

4609 Aug 4-8 Mon-Fri 9am-Noon

Popular Paper Mache

Paper Mache is an age old technique that dates back to ancient China. It is a flexible media that uses paper and glue to create interesting sculpture shapes such as different animals, piñatas and puppets. These creations can be shaped to please the creator and can be painted in a variety of colors.

4613 Aug 4-8 Mon-Fri 1-4pm

Artists Turn Actors with a Production in the Park

All age participants will write their own play as a group, create original scenery and costumes, and perform the play in front of an audience consisting of parents, family and friends at the end of the week.

4615 Aug 11-15 Mon-Fri 9am-Noon

Create a Structure

Discover a whole new world of colors and shapes by constructing art with wood and a variety of materials. Artists are encouraged to experiment and incorporate with a variety of additional medias such as paint, fabric, yarn and much more to create inventive art.

4618 Aug 11-15 Mon-Fri 1-4pm

Creating Art from Around the World

Artists may experience painting from other cultures such as Japanese Sumi painting. We will explore the drawing of buildings, landscapes and animals from different cultures. The artists can add a variety of painting media to color them.

4621 Aug 18-22 Mon-Fri 9am-Noon

Portraits & Mask Making

Artists will be guided in the drawing of portraits of themselves; best friends and or favorite pet. The portraits can be turned into fun whimsical masks after the artists are finished with their drawings. The masks can also be from Paper Mache and decorated.

4636 Aug 18-22 Mon-Fri 1-4pm

Capture Your Creativity!

The artists will be motivated to use their imagination to create innovative art works with the guidance of the instructor. The artists can also choose projects of their choice from a variety of art such as painting, drawing and constructing using a variety of materials such as paints, oil pastels, water colors, yarn, fabric building materials and much more! Students work at their own pace and skill level.

4636 Aug 25-29 Mon-Fri 9am-Noon

Creative Collage and Poster Making

Every student has to make a poster at some point in during their education. This fun art camp teaches basic poster composition plus creative ways to make making posters fun. This camp also explores the art of collage which can either be transferred onto a poster or turned into an epic piece of artwork.

4637 Aug 25-29 Mon-Fri 1-4pm

SPECIALIZED RECREATION

Social and Recreational Opportunities for Teens & Adults

Our primary goal is to provide opportunities for lifelong learning and growth for individuals who choose to participate in activities specially designed and conducted by trained staff to best meet their needs. Though typically designed for individuals with developmental disabilities, Specialized Recreation programs are available to persons of all abilities through the experience of recreation and leisure activities.

For information regarding special accommodations and support for participation in these programs or any other event or class offered through Snohomish Parks and Recreation, please contact Natalia Thomas at (425) 388-6614 or natalia.thomas@snoco.org.

ADULT & TEEN MARTIAL ARTS FOR SELF DEFENSE & FITNESS

A class geared for all ages, abilities & fitness levels. This is not the jarring high impact of Karate & Taekwondo but the softer less impact on your joints for more self-defense oriented moves of Kung-fu & Eskrima. Learn the real stuff that works... Life saving skills whether you are a beginner or a Black belt in Taekwondo. If you do not want to be a cage fighter, do high kicks or the splits this is the class for you. Learn the most simple efficient & effective martial art in the world based on science & body positioning. Made famous by Ip Man & Bruce Lee. Taught by someone who knows the difference between all of the Martial Arts & will teach you step by step in a fun safe way.

SPORTS ACTIVITIES

YOUTH TRIATHLON-SATURDAY, AUGUST 24

Athletes ages 5 – 17 compete in age-appropriate distances with an emphasis on fitness, fun and safety. The entire event occurs within McCollum Park. Participants receive event T-shirt and placement ribbons. Check-in begins 15min prior to each division start. A detailed course description will be available at the pool beginning July 14, 2014. Fee: \$20 before August 15 and \$30 for registrations Aug 16 – Aug 20. No registrations accepted after Aug 20th.

Depending on the number of athletes registered into each division, divisions may be divided by gender to reduce traffic on the course.

| Course Code | Division | Age | Time | Swim | Bike | Run |
|-------------|--------------|-------|------|-----------|----------|----------|
| 5013 | Senior | 15-17 | 8am | 200 yards | 3 miles | 1 mile |
| 5014 | Intermediate | 12-14 | 9am | 100 yards | 2 miles | 1/2 mile |
| 5015 | Junior | 9-11 | 10am | 50 yards | 1 mile | 1/4 mile |
| 5016 | Tikes | 5-8 | 11am | 25 yards | 1/2 mile | 1/8 mile |

SWIMMING

Rural County Water Safety Outreach Program

Snohomish County Parks and Recreation will be offering Water Safety Swim Lessons at various County Parks this summer in an effort to reduce the number of accidental drowning deaths in Snohomish County. We know that less the 30% of 5th grade children have the ability to swim safe enough to enter water deeper than chest depth.

Youth and Families will learn and practice basic swimming skills, small craft safety, self-rescue skills and how to help those in need of help. This comprehensive initiative will help students to:

- Recognize risks associated with water related activities
- Implement strategies to reduce and manage those risks
- Responsibly maintain water safety strategies
- Develop improved swimming skills
- Learn personal Water Safety skills
- Learn basic CPR and First Aid skills

| Session 10: | Aug 25 — Aug 29 | Five — 30 min lessons\$40 |

SWIM LESSON REGISTRATION (HOW TO REGISTER)

To choose the correct swim level [class] for your child:

- #1 Visit www.snocoparks.org, review the skills and age requirements for each level in our swim lesson handbook.
 - #2 Choose the session dates and time for the appropriate skill level.
 - #3 Use the registration course code [number] listed to register for your class.
 - #4 Click on Programs and Events > Register Now
- Students registered for a level (class) which they are not qualified (i.e. the level is too hard or too easy) will be placed in the correct level only if there is a vacancy. If there is no vacancy, your money will be refunded
 - Please read the class descriptions carefully to insure your child is enrolled in the correct class. It is your responsibility to ensure that the student is registered into the proper level based on his/her ability with a minimum of 14 days' notice to the start of the session

SWIMMING

Preschool Swim Lessons – Ages 3 to under 6 years

Min 3 - Max 4 students per Instructor

Preschool group water adjustment and swim lessons are designed for children 3 to under 6 years of age without the assistance of their parents. The first two preschool levels are primarily taught in water ranging from 6" to 2.5 feet. The shallow water provides a comfortable and friendly learning environment in which your children can move around independently. In addition, we offer gender specific Pre-School One Classes. If your child would benefit from participating in a boys or girls only environment, this option is available. Beginning at Preschool Three, students are gradually introduced to more complex skills in the shallow end of the main pool.

With four levels of preschool classes, careful review of the primary learning objectives is very important prior to registration. By doing so, you will increase the likelihood of placing your child in the most appropriate level. Proper placement will enhance his or her experience and will help create a better learning environment for every student in the class.

If your child is between the ages of 3 and 4 years and you feel they may still benefit from parent/caregiver assistance, we recommend Aqua Tots prior to entering the Preschool Program.

| STUDENT LEARNING OBJECTIVES | | EXIT SKILLS ASSESSMENT |
|---|--|--|
| Preschool Level 1: <i>Upon successful completion of Preschool Level 1, the learner will be able to:</i> | <input type="checkbox"/> Blow Bubbles with full face in water <input type="checkbox"/> Perform 3 Bobs without plugging nose <input type="checkbox"/> Float on Front with Support <input type="checkbox"/> Float on Back with Support <input type="checkbox"/> Kick on Front with Support <input type="checkbox"/> Kick on Back with Support <input type="checkbox"/> Move Alternating Arms on Front with Support <input type="checkbox"/> Understand Basic Safety Skills | <ol style="list-style-type: none"> 1. Enter independently, using either the ladder, steps or side, walk at least 3 yards, bob 3 times then safely exit the water. 2. Demonstrate basic readiness skills to comfortably and consistently demonstrate learning objectives with the swimming teacher. |
| Preschool Level 2: <i>Upon successful completion of Preschool Level 2, the learner will be able to:</i> | <input type="checkbox"/> Perform 5 bobs while exhaling through the nose <input type="checkbox"/> Retrieve Object from 2.5 ft with Eyes Open <input type="checkbox"/> Float on Front independently for 3 seconds <input type="checkbox"/> Float on Back independently for 3 seconds <input type="checkbox"/> With Flotation, Glide on Front and Kick 3 yards <input type="checkbox"/> With flotation, Glide on Back and Kick 3 yard <input type="checkbox"/> With Support, demonstrate Front Crawl <input type="checkbox"/> Understand basic safety skills | <ol style="list-style-type: none"> 1. Enter independently, using either the ladder, steps or side, travel at least 5 yards, retrieve a submerged object then safely exit the water. 2. Float on front for 3 seconds, roll to a back float position, float motionless at surface for 3 seconds and recover to a vertical position. 3. Float on back for 3 seconds, roll to a face float position, float motionless at surface for 3 seconds and recover to a vertical position. |
| Preschool Level 3: <i>Upon successful completion of Preschool Level 3, the learner will be able to:</i> | <input type="checkbox"/> Perform 8 bob while exhaling through the nose <input type="checkbox"/> Float on front 6 Seconds (Start, Float, Stand-Alone) <input type="checkbox"/> Float on back 6 Seconds (Start, Float, Stand-Alone) <input type="checkbox"/> Demonstrate rhythmic breathing with support <input type="checkbox"/> Demonstrate basic Elementary Backstroke 3 yards <input type="checkbox"/> Perform a front Glide with Kick 5 yards <input type="checkbox"/> Perform back Kick and Fin 5 yards <input type="checkbox"/> Demonstrate alternating Arms on Back w/support 3 yards <input type="checkbox"/> Jump into head depth water and bob to Safety <input type="checkbox"/> Understand safety skills | <ol style="list-style-type: none"> 1. Glide on front at least 3 body lengths, roll to back, float on back for 6 seconds then recover to a vertical position. 2. Glide on back for at least 3 body lengths, roll to front, float on front for 6 seconds then recover to a vertical position. 3. Swim using combined arm and leg actions on front for 3 body lengths, roll to back, float for 6 seconds, roll to front then continue swimming on front for 3 additional body lengths. |
| Preschool Level 4: <i>Upon successful completion of Preschool Level 4, the learner will be able to:</i> | <input type="checkbox"/> Perform 12 bobs while exhaling through the nose <input type="checkbox"/> Perform basic Rhythmic Breathing with Kick <input type="checkbox"/> Perform basic Back Crawl 5 yards <input type="checkbox"/> Perform basic Elementary Backstroke 5 yards <input type="checkbox"/> Perform basic Crawl Stroke 5 yards <input type="checkbox"/> Tread Water 15 seconds using arm and leg actions <input type="checkbox"/> Jump into water and recover to wall <input type="checkbox"/> Learn how to stay safe, including recognizing an emergency and knowing how to call for help <input type="checkbox"/> Learn how to stay safe in, on and around the water, including the use of a life jacket, recognizing lifeguards and sun safety | <ol style="list-style-type: none"> 1. Push off and swim using combined arms and leg actions on front with rhythmic side breathing for 5 yards, roll onto back, and float for 15 seconds, roll to front then continue swimming for 5 yards. 2. Jump into 4ft of water, tread water 15 seconds then swim 5 yards elementary backstroke. |

Youth Swim Lessons – Ages 6 to 17 years

Min 3 - Max 6 students per Instructor

Students can progress through six levels of swimming and safety skills. When students can comfortably and confidently perform all of the skills and meet the required benchmarks for technique, skill and distance, they can progress to the next level. A word of caution: Many parents and caretakers make the common mistake, thinking that once their child has gained the ability to swim a width of the pool that the child is indeed a competent swimmer, which IS NOT the case! Surprisingly, less than 25% of 5th grade students in Snohomish County have swimming skills at Youth Level 4 or higher. We encourage everyone to work through Level 6. Developing strong swimming skills and independent water safety occurs in the higher Youth Levels.

| STUDENT LEARNING OBJECTIVES | EXIT SKILLS ASSESSMENT |
|---|--|
| <p>Youth Level 1: <i>*Max 5 - Upon successful completion of Level 1, the learner will be able to:</i></p> <ul style="list-style-type: none"> <input type="checkbox"/> Enter and exit independently from chest deep water using ladder, steps or poolside <input type="checkbox"/> Use arm and leg motions to float for 3 seconds on front and back with support. <input type="checkbox"/> Move around, change position, and direction in chest deep water <input type="checkbox"/> Demonstrate beginning levels of breath control sub-merging face for 3 seconds and opening eyes under water <input type="checkbox"/> Demonstrate basic water safety rules, use of lifejacket, and summoning help | <ol style="list-style-type: none"> 1. Enter independently, using either the ladder, steps or side, travel at least 5 yards, bob 3 times then safely exit the water 2. Glide on front at least 3 yards, roll to a back float for 3 seconds and recover to a vertical position |
| <p>Youth Level 2: <i>Upon successful completion of Level 2, the learner will be able to:</i></p> <ul style="list-style-type: none"> <input type="checkbox"/> Submerge entire head for 5 seconds in chest deep water and rhythmically breathe in between 5 times <input type="checkbox"/> Float and glide on front and back unsupported for 5 seconds and change position <input type="checkbox"/> Explore alternating and simultaneous leg kicking and arm pulling motions <input type="checkbox"/> Perform rudimentary front and back strokes- 5 yards <input type="checkbox"/> Explore basic reaching rescues and water safety skills | <ol style="list-style-type: none"> 1. Step from side into chest-deep water, move into a front float for 5 seconds, roll to back, flat for 5 seconds then return to a vertical position 2. Push off and swim using combined arm and leg actions on front for 5 yards, roll back, and float for 15 seconds, roll to front then continue swimming for 5 yards 3. Move into a back float for 5 seconds, roll to front then recover to a vertical position |
| <p>Youth Level 3: <i>Upon successful completion of Level 3, the learner will be able to:</i></p> <ul style="list-style-type: none"> <input type="checkbox"/> Explore rudimentary beginner, elementary backstroke, front crawl and backstroke-15 yards <input type="checkbox"/> Explore rudimentary breaststroke <input type="checkbox"/> Demonstrate feet first and rudimentary diving entries into deep water <input type="checkbox"/> Explore treading water 30 sec and reverse direction of travel <input type="checkbox"/> Perform basic water safety skills such as H.E.L.P and Huddle positions, and safe water entry rules | <ol style="list-style-type: none"> 1. Jump into water from the side, swim front crawl for 15 yards, maintain position by trading or floating for 30 seconds and swim elementary backstroke for 15 yards |
| <p>Youth Level 4: <i>Upon successful completion of Level 4, the learner will be able to:</i></p> <ul style="list-style-type: none"> <input type="checkbox"/> Perform intermediate level; front crawl, back crawl, elementary backstroke and breaststroke - 25 yards <input type="checkbox"/> Perform rudimentary sidestroke and butterfly- 10 yards <input type="checkbox"/> Perform survival float and tread water in deep water- 2 min <input type="checkbox"/> Identify safe diving rules <input type="checkbox"/> Perform rescue breathing and obstructed airway procedures | <ol style="list-style-type: none"> 1. Perform a feet-first entry into deep water, swim front crawl for 25 yards, change direction and position as necessary and swim elementary backstroke for 25 yards 2. Swim breaststroke for 15 yards, change direction and position as necessary and swim back crawl for 15 yards |

(Continued on next page)

SWIMMING

Youth Swim Lessons – continued

| STUDENT LEARNING OBJECTIVES | | EXIT SKILLS ASSESSMENT |
|---|---|--|
| Youth Level 5: <i>Upon successful completion of Level 5, the learner will be able to:</i> | <input type="checkbox"/> Refine efficient and effective; front crawl, back crawl and breaststroke- 50 yards <input type="checkbox"/> Refine efficient and effective sidestroke, elementary backstroke and butterfly- 25 yards <input type="checkbox"/> Refine survival swimming 2 min, treading water 3 min, and underwater swimming 5 to 10 yards <input type="checkbox"/> Describe diving board safety rules <input type="checkbox"/> Identify symptoms of Spinal Injury and show inline stabilization techniques | <ol style="list-style-type: none"> 1. Perform a shallow-dive into deep water, swim front crawl for 50 yards, change direction and position of travel as necessary and swim elementary backstroke for 50 yards 2. Swim breaststroke for 25 yards, change direction and position of travel as necessary |
| Youth Level 6: <i>Upon successful completion of Level 6, the learner will be able to:</i> | <input type="checkbox"/> Demonstrate proficiency in; front crawl, back crawl and breaststroke 100 yards with turns <input type="checkbox"/> Demonstrate proficiency in; sidestroke and butterfly 50 yards <input type="checkbox"/> Demonstrate proficiency in Personal Safety and Rescue Skills, Pike and Tuck surface dives, throwing rescue, and approach stroke 25 yards <input type="checkbox"/> Describe diving board safety rules | <ol style="list-style-type: none"> 1. Swim 500 yards continuously using any 3 strokes of your choice, swimming at least 50 yards of each stroke 2. Jump into deep water, perform a survival float for 5 minutes, roll onto back and perform a back float for 5 minutes 3. Perform a feet-first surface dive, retrieve an object from the bottom of the pool at a depth of 7-10 feet, return to surface and return to starting point |

MCCOLLUM FROGS SWIM TEAM & CRAZE SUMMER SWIM LEAGUE

The main objective of the Craze Summer Swim League is to provide a safe, recreational and competitive experience for area swimmers between the ages of 6 to 18*. Participating teams include the Cities of Kirkland, Edmonds, Shoreline, Lynnwood, Mountlake Terrace and Everett. Practice occurs four day per week (Mon – Thurs) with meets occurring on Fridays or Saturdays. The 2014 Season officially begins June 23 and is scheduled to end with the league championship meet on August 16th.

Prerequisites: New participants ages 6-8* must be able to swim 25 yards of crawl stroke with side breathing and 25 yards of backstroke prior to the first day of practice. Those ages 9* and older must be able to swim 50 yards of each; crawl stroke, backstroke and 25 yards of breaststroke kick in prior to the first day of practice. Parental/Guardian Support: During the first week of the season, you will be asked to Sign-up to provide team support throughout the season as a condition of your child's participation. Examples of volunteer assignments include: Timing, Awarding Ribbons, Staging, Team Boost Club, Team Communications, End of Season Pot-Luck, Meet Set-up/Clean-Up, etc. The total season commitment amounts to approx. 8 cumulative hours. *Participant age as of July 1, 2014.

Parent Info Meeting: May 28th, 6:30pm, McCollum Park Pool

PRACTICE TIME SLOTS

Practices occur Monday - Thursday and participants register into one of three practice time slots. Each practice time slot is limited to a maximum of 48 participants. [8 athletes per lane] Participants can only attend the time slot they are registered into during the season.

5008 Ages 12+ Monday - Thursday 6:40-7:35am
 5009 Ages 7-11 Monday - Thursday 7:40-8:40am

FEE: 1 family member = \$155
 2 family members = \$145
 3 family members = \$135
 4 or more family members = \$130

Registration includes a Team T-shirt and Team Swim Cap for each athlete.

MEET SCHEDULE

Home Meets
 Sat, July 12
 8:00am – Noon
 vs Lynnwood

Sat, Aug 2
 8:00am – Noon
 vs Shoreline

Away Meets
 Fri, July 18, 4:30-8:30pm
 @ Mountlake Terrace

Fri, July 25, 5-9pm
 @ Edmonds - YOST

Sat, Aug 9
 7:30am – Noon
 vs Kirkland – Peter Kirk

CHAMPIONSHIP MEET - SATURDAY, AUGUST 16TH

7am – Noon Ages 11 & up
 1pm – 6pm Ages 10 & under

Aqua Tots - 9 months to 48 months

Min 5 - Max 10 students per Instructor

Aqua Tots is a rewarding water experience for adults with young children. It introduces infants and toddlers to the joys of water activity while developing very basic skills, and teaches parent/caregivers how to ensure safety at all times. Aqua Tots is a two-part program for young children and their parents/caregivers. Children as young as 9 months are able to start the program. Children stay with the program until they are ready to move up to Preschool Lessons, sometime after they reach three or four years of age. Aqua Tots is about learning together in the water while you play and have fun. It's about helping your child feel comfortable in the water while promoting water safety. It's about building confidence in the water through encouragement, exploration and support.

A PROVEN APPROACH!

- Aqua Tots helps prevent injuries. It teaches you how to prepare before you go in or near the water by taking the right equipment, checking the environment, and planning an emergency response
- Stay safe during activity in or near the water, by properly supporting and supervising your child
- Survive if something goes wrong, by knowing how to perform a rescue and get help

AQUA TOTS I • AGES 9 TO 24 MONTHS

Aqua Tots I encourages children and parents to become comfortable and safe in the water. Primary objectives include: Child initiated pouring of water on his or her face, head and body. Blowing bubbles at the surface. Assisted front and back floats with rolling over. Assisted glides through the water, basic arm and/or leg movements.

AQUA TOTS II • AGES 20 TO 48 MONTHS

Aqua Tots II encourages children and parents to become more water safe while increasing readiness skills. Primary objectives include: Student initiated movement above and under water, rhythmic breathing, front and back floats and glides, kicking while on front and back, front and back glides with kick, changing direction and rudimentary front swim.

Adult Swim Lessons - 18 years and up

Min 3 - Max 6 students per Instructor

Learning to swim isn't just for kids. For some Adult Swim Lessons fulfils a lifelong goal, for others it is about Fitness and for others it's about enjoying what makes up 70% of the earth's surface- WATER! with friends and family. To help everyone achieve their goals, chose from one of three levels designed specifically for you. Adult Lessons are truly for Adults only and are scheduled when only those 18 years and older are permitted in the facility.

BENEFITS OF SWIMMING

- Improves posture, flexibility, muscular endurance, strength and balance
- Stimulates circulation and promotes proper breathing
- Creates muscle tone
- Rehabilitates under-used or healing muscles (aquatic therapy)
- Helps to combat the aging process
- Its low impact... the water makes the body almost weightless, greatly diminishing the impact on joints
- Great cardiovascular workout (swimming has a calorie-burning potential of 350-420 calories per hour)
- Uses almost all the major muscle groups, and places a vigorous demand on your heart and lungs

ADULT BEGINNER-LEVEL 1

This class is designed to introduce the inexperienced or fearful adult to the water. The objective of this course is to help students to feel and become more comfortable in the water and enjoy the water safely. Students will learn how to enter and exit the pool safely, blow bubbles, breath control, rhythmic breathing and change of direction. They will experience buoyancy and loss of support with comfort. As they build their confidence, students will learn proper kicking and body position on both front and back with proper flutter kick. They will learn how to travel through the water using Front Crawl, Back Crawl, Elementary Backstroke, and basic safety skills are covered.

ADULT INTERMEDIATE-LEVEL 2

Swimming for Health. Learn the benefits of swimming as exercise, perfect swim strokes for recreational swimmers or just feel comfortable swimming lengths in the pool. For learners with some swim ability this level develops confidence and endurance to master Freestyle and Backstroke. Students are introduced to Breaststroke, Sidestroke and Butterfly. Treading water and recovery to a swimming position is mastered. Basic flip turns and turning at the wall are introduced.

ADULT ADVANCED-LEVEL 3

Learn the benefits of swimming as exercise and develop workout plans with your instructor. This class is designed to give adult learners the option to design their own goals with the help of a qualified instructor. The focus of this level is to work on proper timing, technique and stroke refinement in order to achieve more ease, efficiency, power and endurance. Further coordination of the basic strokes is emphasized so that the student can swim smoothly over longer distances. More advanced turns at the wall, and safety skills are mastered.

SWIMMING

CLASS CANCELLATIONS AND REFUNDS

Classes listed on the schedule may be canceled if there is no or low enrollment after Pre-Registration. This will be done to increase enrollment ability in the levels that are more popular at that particular time. Classes that have low enrollment on the first day may be combined with another level. If a class you have enrolled into has to be canceled for some reason by the Recreation and Parks Department, you will be given a full refund or credit for that class. If a class is canceled due to low enrollment, you will be given the option to switch to another time.

CREDIT/REFUND POLICY

- If you cancel your enrollment at least 14 days in advance of the first class meeting, you will receive a refund/credit for the class fee less a \$11.00 administrative fee. Note: The online registration convenience fee is Non-Refundable

- Requests for refunds less than 13 days in advance and 24 hours prior to the first class meeting may be eligible for a 50% refund/credit
- No Refunds or credits will be issued on or after the first day of class
- We cannot give refunds for less than \$11.00
- Student's registered for a level [class] which they are not qualified for will be placed in the correct level only if there is a vacancy. If there is no vacancy, your money will be refunded. [Excluding administrative fee and online convenience fee.]

Credits will not be issued for classes a student will miss due to vacation or overlap with another program.

POOL RENTALS

Please Inquire - Reserve the McCollum Pool for your own private pool party. Pool Rentals are very popular and we encourage you to reserve your event in advance. Subject to availability. All pool rules are in effect. Free use of our Gas BBQ included. Maximum capacity 200.

1 hour rental\$120
2 hour rental\$220

POOL PARTY DURING OPEN SWIM OPTION

Turn any open swim into a Party by reserving our covered 20' X 20' Sun Shade providing your group a private party area, priority entrance, tables and seating for up to 20 people and use of our Gas BBQ. Advanced Reservations Required.....\$25

PRESCHOOL ZONE

The shallow end of the pool is designated as the PRESCHOOL Zone and is for children under 48 inches in height while accompanied by an Adult (18 years and over).

OPEN SWIM

For all ages. Admission may be purchased approx. 15 minutes prior to the start of each open swim session. The pool and deck is cleared between each open swim and your cooperation is appreciated. Deck Chairs and Sun Shade area open first come first served unless reserved in advance.

2014 Open Water Swim Camp - Page 4

This unique camp improves Swimming ability via informative discussion, individualized coaching and effective and motivating workouts. Space is limited to 8 individuals.

Parks and Recreation Office
(425) 388-6600
6705 Puget Park Drive • Snohomish, WA 98296

Evergreen State Fairgrounds
(360) 805-6700
14405 179th Ave SE • Monroe, WA 98272

Discover Snohomish County Parks

Woven into the fabric and landscape of this beautiful county are over 11,600 acres of park lands where Snohomish County Parks offers you limitless recreational opportunities. Walk, jog, rollerblade, ride bikes or horses on a national award winning trail, camp in a forested campground or sweeping meadow, picnic with family and friends at a lakeside park, swim at several public beaches, observe birds and animals at a wildlife sanctuary, or watch whales at a saltwater park.

FACILITY RENTALS

WILLIS TUCKER PARK COMMUNITY CENTER

Adjacent to the Parks Administration offices, the Vista, Verde and Gary Weikel rooms offer a unique setting for weddings, receptions, private parties, community meetings, workshops and seminars. With sweeping views of the park, our environmentally-friendly rooms accommodate 10– 125 people (depending on arrangements). Ample free parking and amenities of a first-rate park are right outside the door. Choose your own caterer. Pre-approved functions with permits may serve alcohol.

VACATION HOUSE AT KAYAK POINT

Great for Romantic Get-away is a unique Craftsman-style vacation house situated on a hill overlooking Puget Sound.

Explore the wonders of the beach, play a round of golf, or enjoy fine dining at Kayak Point Golf Course and Restaurant. Kayak Kottage features Mission-Style furnishings in three bedrooms, bathroom, full kitchen and living room.

EVER YURT IN A PARK?

These circular domed tents traditionally served as shelter for Mongolian nomads and were made of poles covered with felt or animal skins. These state of the art YURT villages at River Meadows and Kayak Point Park feature hardwood floors, electricity, heat and screen windows enclosed in light-colored canvas with a locking door.

COZY CABIN IN THE WOODS

The cabins at Flowing Lake County Park sit among a grove of Douglas fir trees, within walking distance of Flowing Lake. Perfect for the morning play of ducks on the water and evening concert of frogs. Comfortable accommodations for your boating or fishing activities.

For additional information on camping with Snohomish Parks, please visit www.snocoparks.org or www.reserveamerica.com for camping.

IN THE COMMUNITY

THE FARMERS MARKET AT WILLIS TUCKER

Willis D. Tucker Park • 6705 Puget Park Drive, Snohomish
June 6-August 29 (no market July 4) • Fridays • 3-7:30 pm

The Market is a gathering place for members of Mill Creek, South Everett and Snohomish County communities. Our goal is to provide the community with access to fresh and locally grown food, so we focus primarily on local farms and food vendors, with a limited number of local craftsmen and artisans. The market is located on the front lawn of Willis Tucker Community Park, home to a popular spray park, playground and off-leash dog area. FREE parking adjacent to the market. Find us on Facebook or visit our website for weekly updates.

www.marketatwillistucker.wordpress.com

WANTED: VIP'S

We are seeking **VOLUNTEERS IN PARKS** to help in the following areas:

TRAIL MAINTENANCE: Helps maintain trails

- Must be capable of using the business end of a shovel and moving a wheel barrel and excited about breaking a sweat.

LANDSCAPER: Helps maintain native plant landscapes

- Knowledge of NW botany and capable of removing invasive plants and planting desirable native plants. Training in horticulture or from the WSU Master Gardener Program would be ideal.

COMMUNITY SERVICE: Pick up litter; build benches, refurbish picnic tables, install fences, etc.

- Should be a "handy person" who enjoys fixing what's broken. A team from a business or service organization, such as scouting is greatly appreciated.

Interested? Visit www.snocoparks.org and click on Get Involved for more information.

Streamkeeper Academy

A PARTNERSHIP BETWEEN SNOHOMISH COUNTY PARKS AND THE ADOPT A STREAM FOUNDATION AT THE NORTHWEST STREAM CENTER IN MCCOLLUM PARK

Looking for a PhD's worth of natural resource science at a very low cost, no pressure to do a thesis, and have a lot of fun at the same time?

If you answered yes to any of these questions, Streamkeeper Academy is for you. And as you will see by taking a look at the classes, there is something for all ages.

Are you a teacher looking for Continuing Education Classes?

Except for movies, the scheduled classes are accredited by the Washington Science Teachers Association. The Environmental

Educators Institute is also accredited by Western Washington University. And the Stream and Wetland Ecology Basic training class is accredited by both of the above as well as the Washington State Association of Realtors.

Looking for a great faculty?

Classes are conducted by AASF's in-house naturalists and a great team of adjunct professors recruited from colleges/universities, zoos/aquariums, natural resource agencies/consulting firms, nature photographers and writers. At **Streamkeeper Academy**, you can learn about the habits and habitat requirements of all the fish and wildlife that are found in the Pacific Northwest ranging from the majestic Killer Whale to lowly Slugs and Snails. Many performances include live bobcats, eagles, hawks, owls, and other "critters" like "Sammy the Salmon."

Current offerings that will appeal to all age groups can be viewed at the Adopt A Stream Foundation website: www.streamkeeper.org.

Most classes cost between \$5 and \$7.

Pre-Registration is required for all classes by calling (425) 316-8592.

If you want to learn how to teach kids how to appreciate the environment, you should schedule time to attend one of the two Environmental Educator Institutes. Sorry kids, this event is for adults who will get to be a kid again for a couple of days while "learning by doing" interactive experiential training activities.

Streamkeeper Academy Classes are conducted at the Northwest Stream Center in McCollum Park, 600 128th Street SE, Mill Creek, WA 98208.

Willis Tucker Community Park
6705 Puget Park Drive, Snohomish

From I-5, take exit 186 for 128th street and turn east. Stay on this road about 5.2 miles as it becomes 132nd, 134th, and then finally Cathcart Way. Go right at Snohomish Cascade Drive, then turn left onto Puget Park Drive. Willis Tucker Park will be to the north.
